

Roads to Freedom Foundation Enterprise Membership Program® Enrollment Packet

Membership has benefits!

If your business or organization is interested in advancing the cause for liberty and providing consumer-based solutions to compete with the coercive sector, we want to work with you!

OUR VALUES:

Champion the entrepreneur-consumer-driven market
Upsize the voluntary sector at the expense of the coercive sector
Our motto: "Freedom, nothing more, nothing less, for all people"

Roads to Freedom Foundation is all about solutions to problems, and we know that's why you went into business for yourself. Consumers have real concerns about where to get their healthcare, how to educate themselves and their children, and how to invest for their future. We're here to help your business or organization reach those consumers, and together we can offer a competitive alternative to the coercive sector.

What is the coercive sector? In short, it is the dehumanizing bureaucracy of the state, and the meddlesome hand of the government. We here at Roads to Freedom Foundation share your vision as an entrepreneur to provide solutions to the pressing problems of our time that are efficient, commonsense, and, to put it simply, just work.

As a member in our Enterprise Membership Program, you will enjoy benefits that will help your business or organization grow. Here is what we offer:

- A 30-day banner ad, front and center on our website (r2ff.org).
- Listing as a sponsor for 5 of our events and our next annual conference, the UnConvention.
- Permanent listing in our partners directory
- A 25% discount on all purchases you make through our website and admission to our events
- A \$200.00 credit towards our merchandise or event admission
- Exclusive online content
- A simple, one-time fee of \$500.00 to enroll
